

Legislation Closely Affecting Business World in Operation

PROGRESS BEING MADE BY JOINT COMMITTEE ON CHURCH UNION

Discussion Takes Place of Legal Problems Entering into Process of Uniting the Three Churches

TORONTO, Sept. 28.—Further final steps marking the approaching consummation of church union, which the Presbyterian, Methodist and Congregational churches of Canada have taken at meetings of the joint union committee held in Toronto today.

The business of the session, which concluded tonight, the committee to meet again when called, included consideration of the legal problems entering into the process of uniting the three churches. The subject of the joint union committee was the United Church of Canada, which the three churches have taken to bring into force three pieces of legislation which closely affect the business world, one of them particularly touching frequently the average citizen. The three laws referred to are the amendments made last session to the Bank act, the revision of the Bankruptcy act, and the new provisions of the privilege of using postage stamps for the payment of most taxes under the War Revenue act.

The new bank act, as far as it concerned the larger business world, went into force on Sept. 1; but three vital sections do not become effective until Monday. These have to do with the monthly returns made to the bank with the new penalties for making false or misleading returns, the condition of the banks. The outstanding changes will be made in the future.

League of Nations Assembly Scourges Practice of Bigger States Coercing Weaker Ones

GENEVA, Sept. 28.—Well worthy of being characterized as a world forum, with its vice rising from the penitents, was the great debate in the assembly of the league of nations today. While the delegates, while generally approving the decision of the council of the league to submit the question of the interpretation of the covenant of the league of nations to the permanent court of international justice, the assembly today scolded the practice of bigger states coercing weaker ones. It was a hard session for the delegates, but they were not fazed by the opposition of the United States, which was not represented in the assembly.

Letters to the Sports Editor

Sporting Editor.

On account of some misunderstanding which exists as to the exact nature of the mail order plan which the Quins have adopted in connection with disposing of tickets for the various basketball games we shall appreciate your courtesy in allowing us to make the following explanation.

The system is precisely the same as that followed by the theatre in connection with the sale of seats. As it is quite impossible for a large percentage of patrons to get into line when a seat is thrown open to the public, an effort is made to give every person, in equal opportunity to obtain the most desirable seats. All that is necessary is for an applicant to write stating what seats he desires and to enclose the requisite amount of money. It may be that it is impossible to select him these particular seats, in which case he is given the next best. Under this system an applicant has no opportunity to see the seat prior to the purchase of the ticket. The result of the previous season was a victory for the former by two to one. Turner obtained their first win last week over Liverpool, but tomorrow they are disappointed by playing on Liverpool's ground. Toronto-North end still in the cellar, play Aston Villa.

In the first division of the league, the teams will be played at a later hour than on Saturday. The same teams meet again. For the venue is changed and the home and away teams are reversed.

PLAYERS MAY ACCEPT MONEY AS REFEREES

First Day of the Annual A.A.U. Meeting Ends Only Smaller Questions

VANCOUVER, B.C., Sept. 28.—Active players in amateur sports in Canada may be employed as paid referees at the discretion of branch associations at the annual convention of the Amateur Athletic Union here tonight. Under the resolution as adopted, provided it is made for the employment of amateur sportsmen as referees, the union branches could not be held liable for the payment of money. But a record of such employment must be submitted periodically, with mention of the sums paid to the referees.

The question of whether the Crown Nipaw team would be affiliated with the Alberta or British Columbia branches was finally decided by a system of local vote.

British Columbia asked that the team be affiliated with the Alberta branch. Alberta asked that the team be affiliated with the British Columbia branch. The decision to affiliate by local vote was made by the referees.

Among the important features of the annual convention of the Amateur Athletic Union of Canada, which opened here tonight, was the election of the executive committee. The committee was elected by the delegates from the various branches. The committee will be responsible for the management of the union's affairs.

On account of the advance in the weather, the games will be played at a later hour than on Saturday. The same teams meet again. For the venue is changed and the home and away teams are reversed.

RUGBY SEASON IN EAST WILL START TODAY

Tigers Play Argos at Toronto and Senators Play in Montreal

TORONTO, Sept. 28.—The senior rugby season opens tomorrow afternoon when the schedule of the Inter-Provincial League, commonly known as the Big Four, gets under way. The first game is between the Toronto Argonauts and the Montreal Alouettes.

On paper the Argos look pretty good. They have a strong back line and a powerful forward pack. The Alouettes, on the other hand, are a more balanced team with a strong attack and a solid defence.

The M.A.A. team is almost entirely new, but includes a number of experienced players who have played in the past. The team is expected to be a strong contender for the championship.

Edgar Nobles Tells Story Of Japanese Disaster to Board of Trade Members

Thrilling Recital of His Adventures in Yokohama After the Tragedy—Cities of Tokyo and Yokohama Were Among Most Progressive in the World

Holding a bunch of keys in his hand, before the board of trade members, Edgar Nobles told a thrilling story of his adventures in Yokohama after the tragedy. He described the destruction of the cities of Tokyo and Yokohama, which were among the most progressive in the world.

Nobles said that he was in Yokohama at the time of the earthquake and tsunami. He described the chaos and destruction that followed the disaster. He said that he was one of the few people who survived the disaster.

BEAUVALLON

The Bulletin News Service.

The grain is all cut around here. The wheat is in good shape in farming. It is estimated that the wheat yield this year will easily average over forty bushels an acre, or double last year's yield.

Mr. and Mrs. Leonard and Mr. and Mrs. LaFollette attending Beauvallon school at Grade VIII, were both successful in passing at the June examinations. Another already proceeded to the high school in St. Paul. This is the first occasion that Grade VIII pupils were successful in passing in this school, and their success was due to their devotion to their district, and incidentally reflects credit on the school and the teacher—Beauvallon, Sept. 25.

MAJOR CROHAN HEADS ARMY AND NAVY VETS

CALGARY, Sept. 21.—Major M. J. Ryan of the Army and Navy Veterans' association at the closing of the annual convention here today, termed. Other officers elected are: George Witham of Winnipeg, president; J. D. McLean of Regina, vice-president; J. J. Ryan of Calgary, second vice-president; and J. J. McLean of Regina, third vice-president. Major B. Ryan of Calgary, fourth vice-president, was elected president of the re-appointed secretary-treasurer. The convention will adjourn tomorrow for the evening year. J. D. McLean of Halifax, Major P. Ryan of Calgary, and J. J. McLean of Regina, will be the speakers of the Winnipeg, Capital Theatre in an evening. The convention will adjourn on the 22nd of September.

Formation of dominion and provincial veterans' associations is being urged by the government, veterans' associations in the provinces are being encouraged to form, and others interested parties as a means of stimulating interest in the war veterans.

Major J. E. Speranza of Montreal is an expert on the subject of the government's policy on the problems of immigration.

The next dominion conference of the Army and Navy veterans will be held in Ottawa, Ontario, in 1935.

**WINDY THRUSHING
WEATHER—PEACE RIVER
EASIER THAN EDMONTON**
A full week of anticyclonic weather has followed the snowfall of the 20th. As result harvest operations are practically completed and the country is comparatively clear. Although the frost has laid down the potato tops and some of the more delicate garden plants and flowers the hardy flowers of Russian plant, Russian willow and most of the ash, elm and birch trees are all as green as in midsummer. The blossoms of the white poplars and alders show no sign of frost. Of the best trees the white poplar is the longest color, but the black poplar is still green. The vegetation in Alberta is in sharp contrast with that prevailing in Saskatchewan, Manitoba and Northern Ontario. The last of the season is marked by the appearance of late fall

main line near Biggar were black and similar fields of bleached white by frost. In Alberta along the same line sunflowers were unharmed, but corn was damaged. The corn crop was the best with the biggest crop in the West and the most favorable fall season here it in this province is coming to be known. The connection in this connection it is a notable fact that harvest was earlier in the north than in the south. The statistics than it was around Edmonton that the yield was equally as good as the south. The corn in Montana was much lighter at Grande Prairie and did not extend to the Athabasca River and Waterhouse. The corn in the north was further advanced in the north country it is here. Forty cars of corn were shipped to the C.P.R. railway already and 40 more are loaded ready to move. In all parts of the district reports are coming in that the farmers here have returned expecting a good crop.

west 30 miles from this side of the State. The exhibitor is the R. C. W. Lott, general agent of the colonization and development department of the American Colonization Society, Inc., of Washington, D. C. The exhibitor is from Gravenstein, McIntosh Red, and Winesap. Weathers and Dutchess are also grown. The fruit is large, grows and of good color in June, juicy and of texture. They are equal if not superior to any other grown in the State. They are from the orchard of Chas. R. Gilbert of Terra Ceia. The trees are from six to eight years old. Gilbert is the winner of a prize offered by Mr. G. R. Kelly at the Terra Ceia fair on June 10, 1907. The exhibitor is on exhibition here are samples of the prize winners. Mr. Gilbert has also won seven prizes for his exhibition of the same fruit. The exhibitor is from the estate of Mr. Graham about 15 acres. The fruit is from the orchard owned by Mr. G. R. Kelly. He is from Terra Ceia in the Republic. He is an orchardist and has a large orchard. The fruit is as productive, the same as the best flavored strawberries on the market.
